

LIP SYNC BATTLE V

WEDNESDAY, MARCH 3RD, 2021

All proceeds from the battle will support Relief Nursery's Parenting Education program. The class is an opportunity for parents to develop a deeper understanding of their children, develop strategies to manage difficult behaviors and an opportunity for parents to connect and learn from each other. The curriculum has a strong focus on social/emotional development as well as concrete skills that parents can use to effectively support their children's development and behaviors.

The mission of Relief Nursery is to prevent the cycle of child abuse and neglect by early intervention that focuses on building successful and resilient children, strengthening parents and preserving families.
