Job Description

Hours per week	Up to 34-40 hours/week as assigned
Supervised by	Parenting Education Coordinator
Location	Springfield
Starting wage range	\$16.25-\$20.32, depending on qualifications

Overview

The mission of the Relief Nursery is to prevent the cycle of child abuse and neglect through early intervention that focuses on building successful and resilient children and strengthening parents. Our staff work as a team to provide a unique array of comprehensive family support services from therapeutic classrooms to substance use disorder recovery support, that are easily accessible to parents with children birth to six years of age who are at high risk for abuse or neglect. At the core of the Relief Nursery is the belief in focusing on, and building upon, the strength of each family we serve.

We are currently hiring for a Transportation Coordinator to help support this mission. The Transportation Coordinator supports Relief Nursery programs and services by filling a variety of day-to-day roles to meet the on-going and emergent needs of the agency.

Please note that Relief Nursery is a vaccinated campus. All staff must provide proof of COVID-19 vaccination to Relief Nursery showing full vaccination or staff must document their intention to become vaccinated.

Responsibilities

The Transportation Coordinator is responsible for overseeing all aspects of Relief Nursery's transportation program, including coordination of training, maintenance, and budgeting needs. The Transportation Coordinator also transports children to and from the Nursery and coordinates routes along with teachers and outreach staff. In addition the transportation coordinator will provide general support to the TECP and respite care programs by assisting teachers in the therapeutic classrooms and providing other program support as assigned.

1. Update current family addresses, release information, and routes. Ensure that all drivers keep this data current in all buses.
2. Coordinate routes for each bus. Upon request from supervisors, assist in assessing families' needs for transportation.
3. Relay any information to and from program staff and parents.
4. Coordinate emergent transportation needs/issues when assigned Program Supervisor is not available.
