

Garden Coordinator

Job Description

Hours per week	10 hours/week
Supervised by	Deputy Director of Quality Assurance and TECP Supervisor
Location	Eugene and Springfield, OR
Starting wage range	\$19.50 - \$21.00 / hour, depending on qualifications

Overview

The mission of Relief Nursery is to prevent the cycle of child abuse and neglect through early intervention that focuses on building successful and resilient children and strengthening parents. Our staff work as a team to provide a unique array of comprehensive family support services from therapeutic classrooms to substance use disorder recovery support, that are easily accessible to parents with children birth to six years of age who are at high risk for abuse or neglect. At the core of Relief Nursery is the belief in focusing on, and building upon, the strength of each family we serve.

The Garden Coordinator contributes to the mission of Relief Nursery by designing therapeutic nature experiences for children and families that enhance resilience, support social emotional development, foster a connection with the natural world, and create opportunities for community building. This includes developing and facilitating outdoor early childhood curriculum, organizing parent garden engagement, and supporting Relief Nursery classroom staff in bringing therapeutic nature curriculum to the classroom experience.

Please note that Relief Nursery is a vaccinated campus. All staff must provide proof of COVID-19 vaccination to Relief Nursery showing full vaccination or must document their intention to become vaccinated.

Minimum Qualifications

Studies have shown that women and people of color are less likely to apply for jobs unless they believe they meet every one of the qualifications as described in a job description. We are most interested in finding the best candidate for the job, and that candidate may be one who comes from a less traditional background. If you are interested in applying, we encourage you to think broadly about your background and qualifications for the role.

1. One year of relevant work experience, or a combination of training and experience that provides the required skills, abilities and knowledge
2. Effective communication skills, dependability and flexibility
3. Ability to work independently and collaboratively and as a leader
4. Ability to interact with children at their eye level; kneeling, stooping, bending and lifting up to 40 lbs.
5. Knowledge, experience and/or interest in organic gardening
6. Passion for spending the majority of time outdoors in all weather conditions
7. Basic computer skills for communication and documentation
