## Relief Nursery Diversity, Equity and Inclusion Statement

Relief Nursery recognizes barriers to opportunity and resources that have historically excluded communities from accessing family services, early childhood intervention, and parenting support. We work to address those barriers through open discussion, thoughtful reflection, and informed design and implementation of programs and policies. We are focused on the needs and concerns of the families we serve, our staff, and the community at large. We are committed to ongoing education, growth and improvement, and to upholding the values of social justice, diversity, equity and inclusion in everything we do at Relief Nursery.

## NATIVE AMERICAN and INDIGENOUS RESOURCES

Thank you to our partners on the Relief Nursery Native American Advisory Council for helping to create this section of the guide.

We hold space on the ancestral lands of the Kalapuya people. We honor and pay respect to the past, present and future stewards of this land and all indigenous peoples who call Oregon home. We recognize that the people and communities that cared for, and lived on, these lands since the beginning of time are still here. We reflect on the displacement, forced removal, and suffering that took place throughout Oregon and beyond. We respectfully acknowledge all Indigenous communities throughout time and into the future and are grateful for their vibrant presence.

## NEEDLE EXCHANGE / DISPOSAL

Thank you to HIV Alliance and White Bird for contributions to this section!

Needle exchange programs protect public safety and community health by reducing the spread of HIV and Hepatitis C due to people sharing syringes.

If you come across a used syringe in our community or any other public place, do not touch it! The syringe could be carrying viruses that can cause hepatitis C, HIV, or other blood borne diseases. If you are in Eugene or Roseburg, contact HIV Alliance and they will send staff who are trained in syringe pick-up and the necessary precautions.

Agency	Notes
