Overview

Relief Nursery provides comprehensive family support services that are easily accessible to families who are raising children birth through five years of age and who are experiencing high levels of stress. We provide early intervention that centers on building successful and resilient children and strengthening parents. Our staff work as a team to provide a unique array of support, from therapeutic classrooms and outreach programs, to parenting education, substance use disorder recovery support and more.

We are currently hiring for a combination Family Navigator/ISRS Worker in our Springfield, Oregon office to help support this mission.

Family Navigator Overview

The Family Navigator role will assist ODHS Child Welfare referrals for parents and families. The Navigator will assist families in completing items of their case plan and/or other services that are supportive to their success. The Family Navigator will respond to referrals and begin support in a timely manner consistent with the contract requirements, complete all documentation/reported as required and participate in any relevant case staffing and/or family meetings.

ISRS Overview

The purpose of the ISRS Worker is to provide In-Home Safety and Reunification Services (ISRS) in Lane County to safely reduce the number of children who enter or remain in foster care. The focus of ISRS is safety and change. The program provides skills training to adults, children, and adolescents to address safety concerns and implements effective service plan in collaboration with ODHS caseworker and family members. The ISRS worker will assist families in completing items of their case plan goals set by the caseworker and family. The ISRS worker will respond to the referral, begin support in a timely manner consistent with the contract requirements, and complete all documentation/reported as required and participate in any relevant case staffing and/or family meetings.

Relief Nursery strongly recommends that employees stay up-to-date with COVID-19 vaccines, including booster shots. This allows us to safely support children and families in an in-person environment.
