Job Description

Hours per week	Varies, typically 5-20 hours per week
Supervised by	TECP Supervisor / Outreach Supervisor
Location	Eugene, OR or Springfield, OR
Starting wage range	\$18.82 - \$20.81

Overview

Relief Nursery provides comprehensive family support services that are easily accessible to families who are raising children birth through five years of age and who are experiencing high levels of stress. We provide early intervention that centers on building successful and resilient children and strengthening parents. Our staff work as a team to provide a unique array of support, from therapeutic classrooms and outreach programs, to parenting education, substance use disorder recovery support and more.

We are currently hiring for a Substitute Teacher/Respite Care Provider to help support this mission. In this role, you'll assist teachers in a supportive role to carry out developmentally appropriate and therapeutic preschool activities. You'll encourage the social, emotional, physical, and cognitive development of children and attend to their safety and wellbeing. Responsibilities may also include kitchen duties such as food preparation, meal set up and clean up. Hours vary depending on need.

Our part-time staff receive competitive hourly rates, flexible scheduling, paid sick time, and opportunity for internal growth and promotion. This is an ideal position for anyone interested in exploring a career path at Relief Nursery or in social services.

Minimum Qualifications

Studies have shown that women and people of color are less likely to apply for jobs unless they believe they meet every one of the qualifications as described in a job description. We are most interested in finding the best candidate for the job, and that candidate may be one who comes from a less traditional background. If you are interested in applying, we encourage you to think broadly about your background and qualifications for the role.

1. Prior experience working the children ages six (6) weeks through five (5) years
2. Willingness to support children and families experiencing poverty, stress, and other barriers and the ability to relate sensitively and non-judgmentally with both children and parents
